Plastic is collected from homes, schools and businesses for recycling.

Plastic parts are acquired from manufacturing facilities to be reused and not discarded. (pg 178)

Plastic parts are flaked, mixed and melted.

The final result is pre-consumer recycled plastic to make BIC® Ecolutions® pens.

** Made with 54% recycled plastic (1150)

* Made with 46% recycled plastic (1151)

The percentage is calculated based on the total weight of the product.

Add the Möbius loop to your artwork at no additional charge. Please be sure to specify "Print the Möbius loop" on your order. (Möbius loop imprint defaults to left-hand hand corner.)
